PROFESSIONAL SUMMARY

Result-driven Master of Computer Applications (MCA) student specializing in full-stack development with PHP, MySQL, and modern JavaScript (ES6+). Proven track record of optimizing system performance, reducing operational latencies, and enhancing user experiences through software development internships and academic projects. Supported by strong foundations in Data Structures, Algorithms, and robust problem-solving capabilities.

WORK EXPERIENCE

Web Developer Intern

Jul 2025 – Oct 2025

Webroj Technologies

Noida, India

- Engineered highly responsive user interfaces utilizing HTML5, CSS3, and JavaScript, resulting in a documented 30% increase in active user engagement.
- Optimized comprehensive backend processing architectures and critical frontend assets, successfully accelerating load speeds and reducing page load times by 50%.
- Collaborated cross-functionally across full-stack product lifecycles, translating system requirements into scalable production deployments.

App Development Intern

Dec 2024 – May 2025

CodeAlpha

Remote

- Designed and prototyped highly accessible, user-centric UI/UX design components, enhancing navigation flows and mobile application accessibility.
- Built and implemented systematic user feedback tracking mechanisms to iterate smoothly on core application functionalities based on live metrics and behavioral data.
- Operated effectively within a fast-paced Agile sprint framework, contributing to daily syncs and ensuring a 100% on-time milestone delivery standard.

KEY PROJECTS

Real-Time Weather Forecasting System

[weather-app-iota-jade-76.vercel.app](#)

HTML5, CSS3, JavaScript (ES6+), Open Weather API

- Architected a highly localized atmospheric forecasting application delivering dynamic frontend updates through targeted geolocation data and secure asynchronous API integrations.

Full-Stack Diet & Fitness Platform

[dietplanapp.wuaze.com](#)

PHP, MySQL, Bootstrap 5

- Engineered an end-to-end health portal utilizing secure user authentication models, strict credential hashing, and automated data-driven nutrition roadmap planning.
- Formulated and embedded a custom calorie-tracking script to deliver instant, real-time feedback thresholds aligned perfectly to custom daily dietary benchmarks.

Smart India Assistant

[smartindia.c36.airoapp.ai](#)

AI Modules, Natural Language Processing, JavaScript, CSS3

- Built a conversational AI assistant utilizing structured user interfaces to completely automate resolutions for high-frequency queries.
- Integrated an intelligent processing block that refined natural language understanding capabilities, accelerating overall query resolution accuracy by 25%.

TECHNICAL & PROFESSIONAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), Bootstrap

Backend & DB: PHP, MySQL, Database Management Systems (DBMS)

Programming: C, C++, Java

Core CS: Data Structures & Algorithms (DSA), Operating Systems, Object-Oriented Programming (OOP), Computer Networks

Tools & Frameworks: Git, Version Control, Agile Methodologies

Professional: Public Speaking, Team Collaboration, Client Communication, Structured Technical Documentation, Executive Communication

EDUCATION

Master of Computer Applications (MCA)

2025 – 2027

GL Bajaj Institute of Technology and Management

Greater Noida, India

- Recipient of the prestigious "Best Project Award" for exceptional leadership and impact on a cross-functional technical team initiative.

Bachelor of Computer Applications (BCA)

2022 – 2025

Chaudhary Charan Singh University

Meerut, India

- Graduated with a stellar aggregate score of **80.81%**. Honored with the celebrated "Best Student Award" in recognition of consistent academic excellence and leadership.

ACHIEVEMENTS & CERTIFICATIONS

- HackerRank Career Milestone:** Successfully cleared the standardized Software Development Intern Evaluation.
- Academic Ranking:** Secured placement in the top tier of a competitive cohort comprising 320+ peers, earning the Meritorious Student Award.
- Professional Certification:** Earned an Advanced Certification in Android App Development from Great Learning.
